

Gunther Meyer **President**

Gunther was born in Colombia and moved to Miami in 1965. A true “native” Miamian, Gunther learned the Tour & Travel business from scratch.

Gunther held his first Tour & Travel job as Bus Tour manager for Specialized Travel Systems, a Receptive Tour Operator, where he worked from 1989 to 1994.

From 1994 – 1998 he worked as a Tour Guide for educational tours. At the same time, he obtained his Travel Agent Certificate. During this time, he discovered his passion for working with school groups and particularly with children.

His experience in educational travel prompted him to start his own Educational Travel Company/Travel Agency, Professional Vacations d/b/a Learning by Travel. The company was founded in 1998 together with his partner Louise Feller. In the last 10 years, Gunther’s experience in contracting hotels, attractions, and transportation proved to be valuable in providing competitive travel packages for school groups.

Gunther is the proud father of 2-year old twin boys. He enjoys spending time with his wife and family as well as soccer, swimming, boating and traveling.
